

**EGYPTIAN ELECTRIC COOPERATIVE ASSOCIATION
POLICY BULLETIN NO. 105**

SUBJECT: MEMBER/CONSUMER CONNECT FEE

CONDITIONS AND TERMS:

- A. When the Cooperative is able to transfer a service by obtaining a meter reading through use of the Automated Metering Information (AMI) system without sending personnel to the service location, there will be no connect fee charged the member, whether it is a new member, returning member or present member requesting an additional service.
- B. When the Cooperative is able to connect a service through an installed meter with a remote disconnect switch without sending personnel to the service location, there will be no connect fee charged the member, whether it is a new member, returning member or present member requesting an additional service.
- C. When Cooperative personnel must be deployed to a service location to connect a service, a \$40.00 connect fee will be charged the new member, a returning member, or an existing member requesting an additional service.
- D. New Member/Consumer – New Service - Connect Fee
See appropriate policy in 500 series for new services.

(EXCEPTION: The owner of a multi-family facility, such as apartments, mobile home courts, etc., who has a unit vacated, but desires to retain electric service in his name while the unit is vacant, will not be required to remit the connect fee.)
