

EGYPTIAN ELECTRIC COOPERATIVE ASSOCIATION

POLICY # 113

SUBJECT: USE OF REMOTE CONNECT/DISCONNECT DEVICES

POLICY:

1. The cooperative may, at its discretion, use a remote connect/disconnect device at any and/or all cooperative locations in lieu of manual connection/disconnection by a cooperative qualified employee or contractor.
2. The member receiving electric service through a remote connect/disconnect device shall indemnify and hold harmless Egyptian Electric Cooperative Association and release Egyptian Electric Cooperative Association from any and all claims and damages arising from any use of a remote connect/disconnect device, including the automatic connection or disconnection of electric service with or without notification to the member(s) being affected.
