

**EGYPTIAN ELECTRIC COOPERATIVE ASSOCIATION  
POLICY BULLETIN NO. 120**

**SUBJECT: USE OF METERING READING SYSTEM**

**I. OBJECTIVE**

It is the policy of Egyptian Electric Cooperative Association (EECA) to read meters using an automated metering reading system and to post said meter reads to member accounts to allow for the proper monthly billing of electricity usage.

**II. PROCEDURE FOR METERING SYSTEM**

The metering system in use at EECA will operate in the following manner:

- A. All accounts shall be read by use of the automated metering reading system.
- B. Any and all charges for metering shall be consistent with EECA line extension policy.
- C. The General Manager has the authority to allow for manual reading of specified metered accounts if deemed necessary.
- D. Any Member requesting a manual meter reading shall be responsible for the full cost of the alternate technology. The member shall also be responsible for a monthly charge for the manual reading of said meter.
- E. Accounts to be read by Cooperative personnel manually shall be assessed a monthly fee of \$40 for this service. The General Manager shall have the authority to waive said fee if it is in the best interest of EECA to do so.

**III. SOLE DISCRETION**

EECA has sole discretion in determining if the member qualifies for or will be allowed to use an analog meter.
